

# ON SAFARI

A challenge created to raise funds for on-going refurbishments of Woodbank Activity Centre, which is situated within the boundary walls of Knowsley Safari Park, Merseyside.

The page is framed by a decorative border with a wavy, scalloped edge. The border features silhouettes of various African savanna animals and trees against a background of yellow and green. At the top, there are silhouettes of a lion, an elephant, and a tree. The sides of the border are decorated with vertical panels containing silhouettes of an elephant, a lion, a tree, and another elephant. At the bottom, there are silhouettes of an elephant, a lion, a tree, and another elephant.

Choose and complete 6 or more Safari challenges.

- \* Discover what animals can be found 'On Safari' or in a safari park, choose one and in your Patrol / Six create a quiz about your chosen animal for the other Patrols / Sixes in your unit.
- \* Make a safari animal craft using any craft materials you wish.
- \* Watch a film about safari animals, ie Madagascar, Lion King, Two Brothers, Born Free, Daktari.
- \* Make a safari animal mask.
- \* Visit your local safari park.
- \* Look at the conservation work carried out by your local safari park and make a poster / leaflet / powerpoint presentation to raise awareness of their work.
- \* Make an African drum and use it to accompany yourselves singing some songs about safari animals.
- \* Make your own safari soft toys or bring one to your meeting place for a 'Safari Star Contest'.
- \* Play some animal games.

- 
- \* The Dictionary definition of safari is - a journey or expedition for hunting, exploration or investigation. Plan your own safari and if possible, go 'on safari'.
  - \* Play the safari wide game.
  - \* Make binoculars to see the safari animals better!
  - \* Hold a Safari Party - you can either dress up as animals or wear your safari animal masks.
  - \* Read a story which involves a safari animal, ie The Tiger Who Came To Tea, Kakuda The Giraffe.
  - \* Use 'On Safari' as your theme for a weekend away. Why not visit Woodbank and enjoy the Safari themed centre - you can even hear the lions roaring in the nearby Safari Park.

  - \* Look at charities that support animals in the wild, could you help with their latest campaign or adopt an animal?
  - \* The safari jacket is a well known fashion item - design your own safari outfit to cover all your needs whilst on safari.
  - \* Make some fact cards about each safari animal and play a game of 'Top Trumps'.

- \* Investigate what clothes to pack for a safari trip and discover why you shouldn't wear blue or camouflage clothing. Tip - web search 'Safari Clothing Mistakes'
- \* Most safaris take place in Africa. Africa is the second largest continent and has 54 recognised states. Try to solve the anagrams of the African States - you can use an Atlas to help.
- \* Art Safaris have become popular over the last few years. Either create a sketchbook of wild animals or paint a safari scene using oils, watercolours or any other medium.
